To Everyone at Valley Mustang Club,

It is with sincere thanks that we write this letter in appreciation of your donation of \$1,000.00 to Homes for Our Troops. Your support is deeply appreciated.

We are grateful for the thousands of donors supporting our mission, but we are especially appreciative of people like you who are able and willing to make a substantial donation to our cause. We endeavor to maximize donations of home construction materials and services, but there are always items we need to pay for, including land and any materials and services we cannot get donated. Those costs can easily exceed \$150,000 per home, so your generosity gives us the ability to meet this substantial cost and to assist additional injured veterans.

The men and women of our military make sacrifices every day to keep America safe and together we can make sure they are not forgotten. Through the kindness and generosity of supporters such as you, we are able to pursue our mission of building specially-adapted homes for our soldiers who become disabled while serving our country.

Again, thank you for your generosity and support.

Sincerely,

John Gonsalves
