Another Fantastic Event

Mulholland Cruise on April 23rd turned out to be great. We had 14 cars which included new mustangers' that joined us after seeing the event on the web site. The day was cloudy but the sun did come out many times. Good weather for the mustangs, a little breeze for us. Therese lead the pack, Ted Poliskey took the middle and Bud and Julie took the rear. Julie took the pictures from the hummer, yes I said hummer, that is why they were in the rear. We stayed together through out the cruise. We had one person on PCH that saw the cruise and joined us to the restaurant and took a membership application. We arrived at Paradise Cove around 12:30 and were able to park on the side by a cliff. The food, view and friends really made a great day. You can see the pictures on the website under the gallery.

Remember for your convenience you can Renew your membership etc on line on the contact page.
